SUBJECT: State of Education QSAC Certification

Pursuant to the requirements of N.J.A.C. 6A:30, your school district has undergone the Quality Single Accountability Continuum (QSAC) district performance review (DPR). Based on that performance review in which the district satisfied at least 80% of the QSAC indicators in all five DPR areas, you were notified that the district has been designated as high performing.

I am pleased to inform you that on September 5, 2012, the State Board of Education certified your district for a period of three years as providing a thorough and efficient education, in accordance with N.J.S.A. 18A:7A-14. Your next QSAC evaluation will be conducted three years from the initial evaluation; your Executive County Superintendent will contact you regarding the schedule.

Congratulations on this accomplishment.
