Dear Mr. Neves:

For the last couple of years the Randolph MAC funded a program for seventh graders entitled "Stress Management". The Middle School Guidance Department arranged for outside providers to deliver this program and the MAC paid the provider directly. This year Dr. Miceli and Ellie Fried decided that a Middle School chapter of the national program, Students Against Destructive Decisions (SADD), would better support the mission of the MAC. Therefore, they requested that the funding from the 2009 grant for Stress Management (\$1,000) be used to fund a facilitator stipend for the SADD club. The remainder of the stipend as well as a supply budget will be taken from the MAC's 2010 grant.

There is no Cash Match portion for the 2009 grant money; however, there is for the 2010 grant money. The township has agreed to be responsible for the Cash Match portion, but we ask that the schools agree to be responsible for the "In-Kind" match as indicated below. Please note that the In-Kind match is satisfied by use of school classrooms, materials, personnel, visual aids, etc., and not by payment of money. As always, the club must continue to meet in 2010 to qualify for reimbursement through the MAC funding.

<u>NAME OF PROGRAM</u>	<u>Amount from Grant</u>	<u>Township Cash Match</u>	<u>Total Amt. You Receive</u>	<u>In-Kind Match</u>

Please review the funding request and present it for approval to the Board of Education at its next meeting. If this program is not approved at the Board of Education meeting, the MAC reserves the right to withdraw the program funding. If you have any questions or require additional information, please contact me at (973) 659-9772 or e-mail me at oneilljm@optonline.net.
