

5240 TARDINESS

The Board of Education believes that promptness is an important element of school attendance. Students who are late to school or to class miss essential portions of the instructional program and create disruptions in the academic process for themselves and other Students.

Tardiness to school or class that is caused by a student's illness documented by a medical note, an emergency in the student's family, the observance of a religious holiday, a death in the student's family, or by the student's compliance with a request or directive of an administrator will be considered justified and is exempt from the attendance policy. All other incidents of tardiness will accumulate and consequences will be administered per the Code of Conduct.

A student who develops a pattern of tardiness will be offered counseling with an appropriate staff member to determine the cause of the tardiness.
